Site License. Lawmanac™ retails for \$49.00 per download. You can cut these costs by purchasing a site license. We will send an install file to your IT people, who can then make the system available to all C drives in your network.

Number of People. The “Number of People” is the number of attorneys, secretaries, paralegals, and others who will have Lawmanac™ copied to their C drives. Persons within the firm or organization may further copy the system to their laptops or home computers at no additional cost. They may not, however, copy the system and make it available to others outside the firm. We will send instructions on how users may copy the system to their home computers.

Annual Renewal. You may renew the site license each year for 50% of your site-license fee. The renewal fee covers automatic updates of the Lawmanac™ system.
